# Voice Commands Guide

MSG100  
Smart Garage Door Opener

---

Skill Name	Meross	Smart Meross
<p><b>Skill in Alexa</b></p>		
<p><b>Voice commands</b></p>	<ul style="list-style-type: none"> <li>- Alexa, lock my garage.</li> <li>- Alexa, unlock my garage.*</li> <li>- Alexa, is my garage locked?</li> </ul>	<p>-Alexa, ask <i>Smart Meross</i> to open/close the garage door one/two/....</p> <p>or</p> <ul style="list-style-type: none"> <li>-Alexa, open <i>Smart Meross</i>.</li> <li>-Open/Close garage one/two/....</li> <li>-Check garage.</li> </ul>
<p><b>Remark</b></p>	<p>To use unlock function, please enable it within Amazon Alexa app.</p> <p>Currently, Amazon Alexa only provides unlock function in USA, Germany and Japan market.</p> 	<p>Please pronounce meross as /mirə-s/.</p> <p>You can view the garage door number in Device Settings page within Meross app.</p> 

Note: Please replace “garage” to the garage door name you set.

Google Home	
<b>Action name</b>	
<b>Voice commands</b>	<ul style="list-style-type: none"><li>-Hey Google, close my garage.</li><li>-Hey Google, is my garage opened/closed?</li><li>-Hey Google, open my garage.</li><li>-Can I have your security code?(via Google Home)</li><li>-One two x x.</li></ul> <p>*Please set your PIN code within Meross app to enable the close function, required by Google for security reason.</p>
<b>Remark</b>	 <p>*Due to Google's limitation, you are unable to press above icon to open/close the garage door directly.</p>

Note: Please replace “garage” to the garage door name you set.
